

STUDENT UNIFORM POLICY

Rationale

The Marist Regional College uniform is an integral and important part of our tradition and identity. As a College community, we anticipate and expect our students will wear their uniform with pride. In wearing the uniform correctly, students express a respect for themselves, each other and the wider College community as a whole.

Parents, teachers and all members of our College play a role in ensuring we maintain a culture of equality, engagement and achievement. Collectively, we play a critical role in supporting our young people to attend to uniform expectations, thereby supporting broader attempts to build social cohesion across the College.

The Marist Regional College values call us to be a Catholic community in which all people are treated equally. Our College uniform promotes consistency and inclusiveness for all students and their families. It tells of who we are past, present and future. It represents our Mission, our Values, and our long-standing commitment as a place of learning and teaching in the Marist and Mercy traditions.

Aims of the Policy

- To outline the expectations and responsibilities regarding the wearing of the student uniform at the College, so there is no uncertainty in what is required.
- To ensure that all students of the College wear the academic and sporting uniforms correctly.
- To reinforce with our students that a pride in their own appearance as a student of Marist Regional College, instils recognition of themselves as an integral and valued part of the College community, and gives a strong sense of their identity as representatives of the College.

GUIDELINES FOR CASUAL DAYS

On designated casual clothes days, students must wear clothing which respects their own dignity and that of others in the College community. The guidelines below reflect the required standard.

- Not to be worn: unsuitable clothing including low-cut, see-through or overly short garments (including tops, shorts and skirts); clothing printed with offensive statements or slogans;
- Jewellery, hair and make-up should not be excessive. Long hair should be tied back for some practical lessons, as per the regular expectations.
- Closed shoes only must be worn. Thongs, open sandals and slip on shoes are not appropriate for reasons of safety.

EXPECTATIONS

Blazer: The College blazer is a compulsory part of the uniform. It must be worn to and from school every day and to all assemblies and official College events. During the school day the blazer need not be worn.

Academic Uniform: The formal academic uniform must be worn to and from school every day. Students must change into and out of the sports uniform before and at the end of the timetabled HPE lessons and/or any lesson when the sports uniform is required. Students representing the College at sporting events may be permitted to wear the appropriate representative sports uniform, as advised by the College.

Any time that a student is wearing the College uniform, it must be worn fully and correctly, this includes before school and after school, including when in town.

Dresses and skirts: Must be an appropriate length. A good guide is one hand width above the knee. Any dresses or skirts deemed to be too short will be required to be adjusted in a timely fashion.

Winter warmth: On particularly cold days, students are encouraged to wear thermal-wear under their uniform for added warmth. This should not be visible. Jackets, including puffer jackets, hoodies and any other outerwear that does not conform with the uniform, must not be worn.

College Sports Jacket

The College sports jacket is an optional part of the sports uniform and is not an alternative to the College blazer. It may be worn over the blazer coming to and from school, **only when raining**, and must be removed when the student is at school.

The old style spray jacket (navy blue/light blue) must not be worn.

Marking of Clothes: All items of clothing must be clearly marked. (Woven names are recommended or name printed clearly with a permanent marking pen.)

Hair: Hair must be neatly groomed at all times and in a style appropriate to wearing with the College uniform. Dreadlocks and clip on hair extensions are not permitted. Hair is to be worn off the face. In some subjects it is a requirement that long hair is tied up with an elastic band. If ribbons or clips are worn they are to be navy blue, plain and not showy. Hair may be dyed, however, unnatural colours are not acceptable. If in doubt, before colouring please check with your Pastoral Care Group Leader and Year Level Coordinator.

Years 7-10 boys are to be clean shaven. Senior College boys may have a neatly trimmed beard or moustache.

Make-up: Make-up is not encouraged; however, if worn, is limited to minimal foundation e.g. tinted moisturiser and/or mascara. It should not be obvious. Eyeliner, eyeshadow, blush and lipstick are not acceptable.

Coloured nail polish may not be worn. Clear varnish or a simple French polish are acceptable.

Any coloured nail polish applied for College dinners or formals must be removed within one week of the event.

Visible tattoos are not permitted and must be fully covered at all times, including sporting events, such as athletics and swimming carnivals and school events, such as camps, retreats and formals.

Jewellery: The following items of jewellery are allowed:

- A simple wrist watch
- One simple neck chain (worn under the clothing)
- One plain, simple, gold or silver bracelet
- One plain, simple, gold or silver ring

Piercings:

Ears piercings: The only visible ear piercings allowed, are a maximum of two pairs of small, plain, silver or gold 10mm sleepers, or 4mm in diameter (maximum) gold or silver studs, diamante or pearl earrings – worn in the lobe only.

See images for clarification.

Any ear piercings in locations other than the lobe are not to be visible, including covered with tape. Hair must cover these piercings at all times. If this is not possible, these piercings must not be worn at school.

Facial piercings: No facial piercings are permitted, including tongue and nose piercings, this includes clear, taped or make-up covered piercings.

Body piercings: Body piercings, including naval piercings are not to be visible. This includes at sporting events, such as athletics and swimming carnivals.

OUT OF UNIFORM

If a student presents at school out of full, formal academic uniform, an explanatory note from a parent/guardian must be presented to the Pastoral Care Group Leader. The student will be given an exemption card to carry for that school day. Notes cannot be written for extended periods as it is expected that any uniform matters are addressed as a priority.

When a student is not able to wear the full, formal academic uniform, he/she must wear the full Sports Uniform. Casual clothes, including sports tights, other than the MRC sports tights are not allowed.

Students who do not comply with uniform expectations, including jewellery, piercings, make-up and nails, will be issued with a letter requesting that this be corrected within a given time frame. Should this not occur, the student may be removed from classes or sent home until such time as the amendment has been made.
